ABOUT US

In 1972, Vani Vidyalaya was founded by Mr. S. Soundararajan to provide quality education by combining the traditions of Indian education with modern educational techniques.

The school was started as a unit of SUSEE Group to impart quality education to empower students to become global citizens of the future and has reached a remarkable milestone of 54 years.

CORRESPONDENT

Mr. S. Manivannan

Education is more than the pursuit of academic achievement: it is the foundation for character, confidence and lifelong success. At Vani Vidyalaya, we believe in providing a well-rounded education that integrates academics, co-curricular activities, sports, arts and life skills.

Our institution offers a supportive and stimulating learning environment with excellent facilities and meaningful opportunities for student to explore their talents and realize their full potential. We encourage independent thinking, joyful learning and responsible citizenship.

Our dedicated and passionate educators are the pillars of our institution. Their commitment ensures that learning remains engaging, purposeful and value-driven.

We deeply appreciate the trust and partnership of our parents, whose continuous support strengthens our mission of delivering quality education

Together, let us continue shaping confident, compassionate and successful individuals who will lead with integrity and vision.

SECRETARY

Mrs. Nanthini Manivannan

Nurturing young minds is both a profound responsibility and a privilege. At Vani Vidyalaya, we are committed to shaping confident, compassionate and competent individuals who are prepared to thrive in an ever-evolving world.

Our focus extends beyond academic excellence to the holistic development of every child. We strive to foster intellectual curiosity, emotional resilience, physical well being and strong moral values. Our aim is to empower students to grow into responsible citizens who contribute meaningfully to society and the nation.

Through a balanced blend of joyful learning and meaningful experiences, we cultivate critical thinking, creativity, collaboration and effective communication skills. We believe that education should inspire a lifelong love for learning while equipping students with the abilities required for future success.

At Vani Vidyalaya, tradition harmoniously meets modernity, creating an environment that nurtures character, leadership and innovation.

FIELD TRIPS AND EXCURSIONS

Our field trips and excursions are thoughtfully designed to transform learning into memorable real-world experiences. From educational visits to cultural landmarks, science centers, and environmental parks, students gain hands-on knowledge that brings classroom concepts to life. Each trip is carefully supervised by dedicated staff, ensuring safety, meaningful engagement, and opportunities for students to build independence, teamwork, and a broader understanding of the world around them.

HOUSES OF VANI

OUR STUDENTS ARE GROUPED INTO FOUR HOUSES – CHERA (RED), CHOLA (BLUE), PANDYA (GREEN), AND PALLAVA (YELLOW) – EACH REFLECTING VALUES THAT INSPIRE COURAGE, WISDOM, GROWTH, AND CREATIVITY IN EVERY ACTIVITY.

CHERA (RED)

Students of Chera are encouraged to be bold and determined. The red symbolizes their energy, passion and never-give-up spirit.

CHOLA (BLUE)

Chola students are guided to be wise, calm and responsible. The blue reflects clarity in learning and discipline in action.

PANDYA (GREEN)

Students of Pandya grow with harmony, progress, and cooperation. The green reflects freshness, curiosity and balanced living.

PALLAVA (YELLOW)

Pallava students shine with creativity, optimism, and joy. The yellow inspires them to spread positivity and teamwork in every activity.

SPELL BEE:

Spell Bee helps students strengthen their spelling, vocabulary, and language skills. It builds confidence and encourages a love for words through healthy competition.

“Spell it Right, Shine Bright!”

LIFE SKILL ACTIVITIES :

Our life skill activities empower students with confidence, teamwork, problem-solving, and leadership skills to face real-world challenges successfully.
